

Mashariki Arts Academy

What Makes Mashariki Unique

Mashariki Arts Academy offers more than classroom learning. Students gain real creative experience and industry exposure.

Professional Film Production

- Students produce a complete short film from concept to final cut.
- International Festival Exposure
- Selected student films may be presented through international partner festivals.

Mentorship

Work closely with experienced African and international filmmakers.

- Internships
- Opportunities to gain experience with creative organizations and production companies.
- Film Residencies

Outstanding students may participate in fully funded residencies in various African countries.

Project Development

Top graduates receive support to develop future film projects through Mashariki Productions.

Global Creative Partnerships

Mashariki Arts Academy collaborates with international film institutions and festivals across:

USA 🇺🇸 Canada 🇨🇦 France 🇫🇷 Australia 🇦🇺
United Kingdom 🇬🇧 Brazil 🇧🇷 Kenya 🇰🇪 Tanzania 🇹🇿

These partnerships help students access global networks, creative collaborations, and festival platforms.

Eligibility

- Age 18 years or older
- Secondary education completed
- English proficiency required
- Open to all nationalities
- East African applicants are especially encouraged to apply

Join the Next Generation of African Storytellers

Mashariki Arts Academy welcomes passionate creatives who want to learn, collaborate, and share African stories with the world

Whether you dream of directing films, writing stories, recording sound, or designing visual worlds this is a place where your creativity can grow

Your story matters
Your voice matters

Don't miss
This opportunity

Africa's stories deserve to be seen and heard
